Communication Number: 2019-1-Australia-18843-1 Page 1 of 1 "Dear Minister, I am writing to you in my capacity as President of the International Association of Cetacean Taxonomists (IACT). This is the institutional identification of Australia. Despite the proverbial "always a moral theme to Philip Commission" in the Australian Parliament, the Australian Government has been silent on the issue of the Philippine Dolphin Massacre, which Chinese fishermen, in violation of the law, supposedly "pulled" off in Australia. Under the Minister's Administration, Australia has been silent on the Philippine Dolphin Massacre, which Chinese fishermen, in violation of the law, supposedly "pulled" off in Australia.

In the letter that I attach to the full version of Australia's Superfamily Delphinoidea, Monogeneric Delphinidae, Genus Lagenodelphis, Species Lagenodelphis hosei Fraser, 1956 (Fraser's Dolphin), Australia is subject to the theft of certain cetacean specimens by Chinese fishermen, in violation of the law, supposedly "pulled" off in Australia. Despite the proverbial "always a moral theme to Philip Commission" in the Australian Parliament, the Australian Government has been silent on the issue of the Philippine Dolphin Massacre, which Chinese fishermen, in violation of the law, supposedly "pulled" off in Australia.

Best Wishes,

Kent Marks
